

**SPECIFICATIONS FOR STATE HIGHWAY STREET SWEEPING**

**LOCATION:** City of Grant on M-37 (1.51 Miles)  
City of Newaygo on M-37 & M-82 (4.08 Miles)

**SERVICE:** 1 sweep with the possibility of a 2<sup>nd</sup> sweep, if approved by MDOT

**COUNTY ROADS:** If agreed by both parties, this contract may include County Road Street sweeping at set price quoted for State per mile.

**DETAILED DESCRIPTION:**

Furnish all equipment and labor to sweep as directed by Newaygo County Road Commission.

This contract based upon satisfactory performance by the contractor, will be evaluated at the end of the contract year and **may be extended up to three years** at the same price with mutual agreement both parties. N.C.R.C. has the right to cancel the contract at any time if contractor performance is unsatisfactory. First year of service starts 2018 and may be extended up to 2020.

*A detailed bill will be submitted stating:*

Date road maintained  
Name of road  
No. Of miles \_\_\_\_\_ price per miles(per lane mile,both sides of road)\_\_\_\_=total cost\_\_\_\_\_

**MINIMUM INSURANCE REQUIREMENTS**

The Road Commission and Newaygo County will be held harmless for any claims related to Sweeping operation.

The contractor shall furnish proof of insurance of the following types and in the following amounts:

- Workers Compensation – as set by State Statute
- Automobile Liability \$1,000,000 CSL
- General Liability \$ 500,000 CSL
- Employer’s Liability \$ 100,000 CSL

Newaygo County Road Commission and the Board of County Road Commissioners of Newaygo County must be named as additional insured.

**DEBRIS DISPOSAL**

The successful bidder will be responsible/liable for the proper and legal disposal of all materials collected from routine and special sweeping operations. Arrangements with others relating to transporting, stockpiling and/or disposal, along with the fees involved, shall be the responsibility of the successful bidder for Highway roads. The manifest and disposal will be included for County roads also. The cost for disposal from county road system shall be included in bid price as well. Disposal manifests must be obtained and submitted to the Road Commission as proof of proper disposal. No payment for work completed will be made until manifests/delivery receipts are received by NCRC.
