Motion was made by Commissioner Fetterley and supported by Commissioner Clark to accept management's recommendation and award the Fuel Facility Replacement project to low bid, DeKryger Concrete. All ayes. Motion carried.

Kerry informed the board that our website is up and running from our new vendor, Brooks Elite Contracting. Kerry is pleased with the layout and design. The transition was seamless.

Kerry presented the board with a final spreadsheet for primary and local projects for FY26 as well as a township project spreadsheet for FY27 of carryover projects we are still working on.

Kerry presented the board with fuel savings through September and an updated cashflow.

Kerry informed the board that we received another NRF disbursement. Kerry will keep track of those funds in a spreadsheet like our MTF funds for future comparison. Kerry reported that she attended a webinar yesterday that CRA put together regarding NRF.

Jim David, representing D & B Brine, was present. Derek informed the board that D & B Brine will not be doing township brining and would like to sell equipment and "get out of the business." They are willing to sell their equipment to the Newaygo County Road Commission. Derek presented the board with a list of equipment and the cost of each. Derek noted that the equipment has been regularly maintained and in good running condition. Motion by Commissioner Clark and supported by Commissioner Fetterley to purchase equipment from D & B Brine at a cost up to $205,000. All ayes. Motion carried.

Derek informed the board that D & B Brine, low bid on our pre-wetting material for both facilities will still uphold that contract.

Derek had previously informed the board that he was trying to demo an excavator from CAT or Case, but neither company could produce one for us to demo. Discussion took place on our need and use for an excavator. Derek presented the board with a quote from MacAllister CAT through the sourcewell program. Motion by Commissioner Clark and supported by Commissioner Fetterley to purchase a Caterpillar M318 wheel excavator for $344,712.47. All ayes. Motion carried.

Derek informed the board that we will be a part of Kent County Road Commission's chip seal stone bid again this year. Derek submitted the same quantity as 2026.

Derek informed the board that we have submitted two locations for the railroad crossing surface program: Monroe St. near Sycamore Ave. and 12 Mile Rd. east of Bingham Ave.

Derek informed the board that we received a nice thank you note for our assistance with the historic train trestle project.

Derek informed the board that Mike, Jason, and Justin will be attending the S.A.M. conference this week, and Kerry will be at the MERS Conference tomorrow.

Derek reported that on Monday, October 19th there will be an hour-long tour of the Bigelow Creek projects we have completed. Derek informed the board that Congressman Bill Huizenga will be in attendance.

Commissioner Discussion Items:
Commissioner Clark reported on the Commissioners Seminar he attended on September 28th. He said it was worthwhile and he brought back information from the presentations.

Commissioner Harmon said Ken Smalligan contacted him about a road needing repair. Derek spoke with the property owner yesterday and responded. A hole has developed in the water, and they want us to fix it.

Public Comment: none

With no objections, Chairman Harmon adjourned the meeting at 9:02 a.m.
